

Delivery terms for driven piles and work with retaining steel walls 1)

1. The tender is based on the following documents with reciprocal order of precedence.
 - 1) Tender.
 - 2) The delivery terms as stated here..
 - 3) "AB-U 04", General conditions for subcontracts.
 - 4) "Reservation 3/96".
 - 5) "MER 2002", Construction, Measuring, and payment regulations - construction works, alt. Vägverkets ME 95 (The Swedish National Road Administration ME 95)
 - 6) Other documents for tenderring.

2. The tender implies that the employer provides free of charge:
 - 2.1 hut space as standard as well as share of office space,
 - 2.2 setting out, survey, levelling, settlement control and vibration measurement,
 - 2.3 entrance to foundation, which is 6 meter wide, and with fall of 1:6 at the most,
 - 2.4 trafficable road and site with necessary bearing capacity for our machines, transports, and restoration of asphalt and final levelling of surface,
 - 2.5 work areas in accordance with The Working Environment Act and regulations,
 - 2.6 electricity, lighting and water at the workplace.

3. The tender implies further:
 - 3.1 The ground is free from residues, stone, boulders, and cables and, if occurring, ground frost; the piles are then installed with a tolerance of ± 10 cm.
 - 3.2 Maximum pile angle is 4:1.
 - 3.3 Minimum charge of pile length is 3,0 meters even though the actual pile length is shorter-than 3,0 meters.
 - 3.4 Additional payment for trial piling, pre-driving, pre-boring, follower, re-strike, cutting of driven precast concrete piles and retaining walls, excavation and drainage of water.
 - 3.5 Payment is made as to market price, for unusable retaining walls after driving as well as remaining retaining walls.
 - 3.6 Rent for retaining walls and plate girders are calculated from the day they leave the lessor's storage until and including the day they are returned.
 - 3.7 Prefabricated material is invoiced by establishment.
 - 3.8 Presenting the pile driving or retaining walls records counts as a demand for examination.
 - 3.9 With deviation from "AB 04", General Conditions of contract chapter 6 clause 15, the sum retained is paid at once after accomplished inspection.
